Schedule Changes: You may request a schedule change up to two times per year. Schedule changes are determined based on availability and the composition of overall enrollment. Schedule change requests must be submitted in writing or via email.

Registration Agreement: I agree to enroll my child in Yad B Yad Children's Center and to abide by the terms and conditions stipulated in the Parent Handbook. I understand that enrollment is determined based on full academic year tuition, which is then divided equally by the 12 months school is in session. Schedule changes may only be made if tuition payments are current and the space requested is available. No trades of days or refunds are given for absences.
